

HUNTING SABLE & PLAINSGAME

We have some of the Best Sable Hunting in South Africa, not only for the hunt itself but trophy quality as well. Our smallest Sable Bull shot in 2018 was 38 inches and the largest was 43 inches. Truly magnificent Bulls.

Among the Sable we have some great Plainsgame Hunting on offer, with some HUGE Kudu and Gemsbok Bulls. We have shot a 59 inch Kudu in 2018 and Gemsbok bulls ranging from 38 to 43 inches.

We are catered for Bow hunters in blinds as well as Handgun and Rifle Hunting. For bigger groups of hunters we have great discounts on daily rates depending on group size, contact us for more info on this.

We have a vast variety of Plainsgame available to our hunters, from Sable and Roan to Lechwe, Tsessebe, Golden Wildebeest, Black Impala, all Springbok variations and many many more common plainsgame species.
